# health

We offer a **caring environment** for the caregiver

At Parker Adventist Hospital, we not only treat the patient as a whole person, we treat you as one, too.

Spirituality

Nurturing

Compassion

# healing

Do you **remember** why you were called to nursing?

Do what you **love** in a place that feels like home.

We'll **support** your **passion** for patient care.

Caring

Respect

Imagination

We extend the *healing* ministry our mission of Christ by *caring* for those who are ill and by *nurturing* the health of the *people* in our communities.

Parker Adventist Hospital  
Centura Health.

# hope

We're transforming the "hurry-up-and-heel" approach to healthcare

We'll **support** you with the tools, time, and **attention** you need to offer your patients the care and compassion they deserve. Our goal is to transform the patient experience from fear and confusion to one of **hope** and **healing**.

# happiness

We'd love to hear from you...

If you would like to work in a caring environment that nurtures your body, mind, and spirit, please feel free to call us at (303) 715-7007.

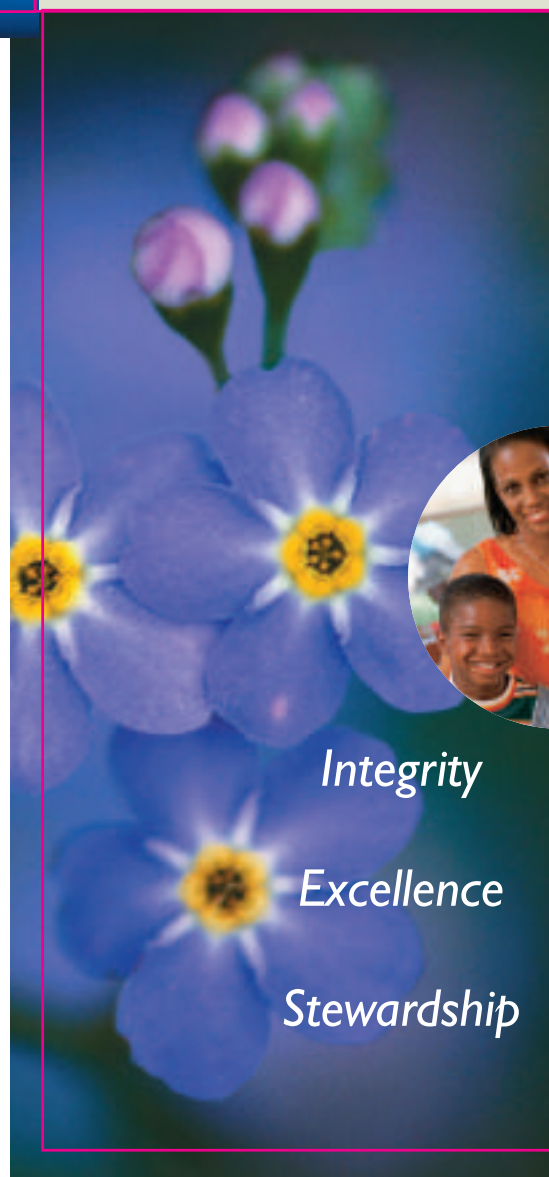

We also welcome your resume and/or your professional information by fax (303) 804-8234 or by mail, Attention: Parker Jobs, 5570 DTC Parkway, Englewood, Colorado 80111. Visit our website for the latest updates at [www.parkerhospital.org](http://www.parkerhospital.org). Come help us grow—we won't forget you.

Integrity

Excellence

Stewardship

sun-filled spaces  
healing gardens  
restful nurses' lounges  
comforting fireplaces

By creating a **supportive** environment for you, we offer the patient healing.

By creating a **joyful** environment for you, we offer the patient hope.

By creating a **calm** environment for you, we offer the patient peace.

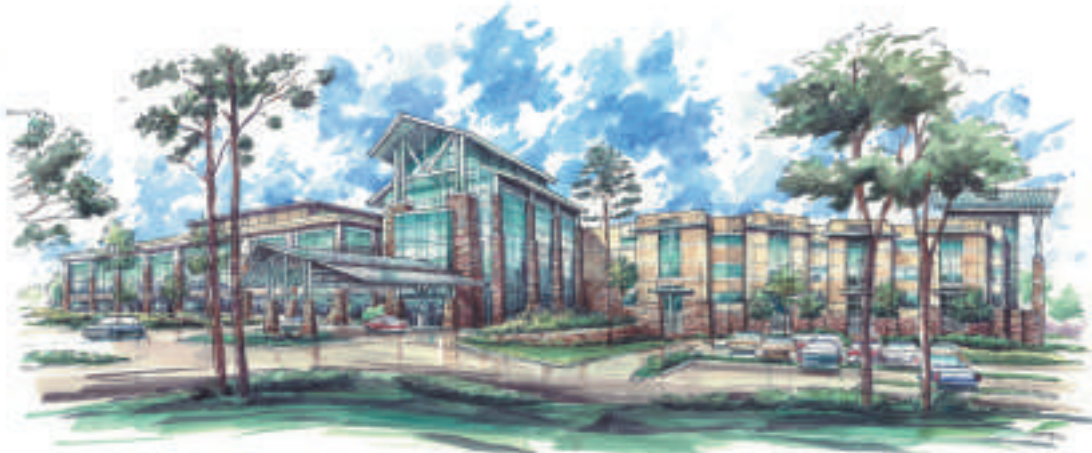

**We'll support your life's work**

## Opening spring 2004

Parker Adventist Hospital will be a state-of-the-art 101-bed acute care facility located on a 40-acre campus at Parker Road and E-470. The hospital will offer a full range of women's services, a strong commitment to pediatric care, surgical services, intensive care, cardiac services, diagnostic imaging, including MRI and CT, a level III emergency/trauma department, and a clinical laboratory.

**a remarkably different kind of hospital**
