

“People tell me my face is glowing. Then they immediately want to know my secret.” – L. Hauptman (age 43) Arvada, Colorado

Dear Friend,

I have traveled the world looking for the secret to radiantly beautiful skin. Now, after years of searching, I have at last discovered the key to transforming dull, dry, lined skin into luminous, silky-smooth skin. And I am thrilled to share my secret with you.

Ancient Royal Formula Finally Revealed

Back in 1998, when I learned pearls were remarkably rich in silk proteins and vitamins (including vitamin E), I wondered if this miraculous gift from the sea also held beauty secrets deep within. I found the answer to my question halfway around the world.

Generations of Chinese Empresses have relied upon freshwater pearl cream to achieve their luminescent skin. Today, this “Royal Secret” can be yours through a remarkable moisturizing cream called Touch of Pearls™.

Freshwater Pearls Impart a Luminous Glow to Your Skin

The Touch of Pearls™ formula includes an extraordinary blend of hydrating pearl moisturizers, vitamin E, nourishing minerals, and softening silk peptides shown to dramatically reduce the appearance of fine lines. But that’s just the beginning.

Touch of Pearls™ also softens, protects, and rejuvenates your skin, while it adds a velvety smooth texture and an astonishing natural luminescence, much like the pearl itself. The results are like no other you have ever experienced.

This one-of-a-kind formula will “light up your face” with a magnificent healthy glow! Don’t be surprised if your friends ask you if you’ve been to a spa or on vacation. Or even if you’ve had a facelift! Luxuriate in the silky texture as the light uplifting fragrance enlivens your spirits.

This exclusive formula is not available elsewhere in the United States, and today’s limited-time offer is being sent only to a select few. So please call today to avoid disappointment.

Special Introductory Offer Guaranteed

Order one bottle of Touch of Pearls™ today for the special introductory price of only \$21.95. Or better yet, order two bottles for only \$32.95! (That means you get the second bottle half price!) To order call Toll Free 1-888-806-1442 today and mention this special introductory offer.

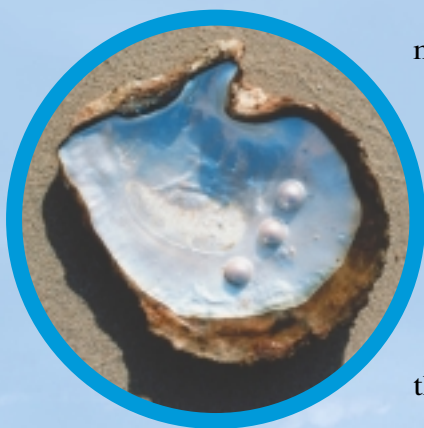

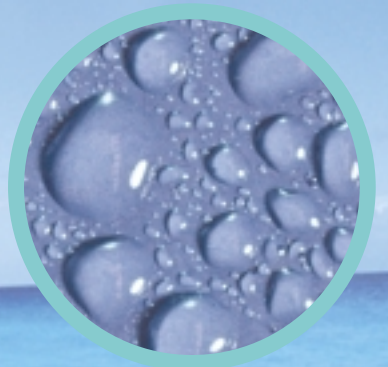

Once you experience this extraordinary “Royal Secret,” you’ll understand immediately why the Chinese Empresses kept it all to themselves for centuries. Now the freshwater pearl can be your beauty secret too!

Sincerely,

Terry Appel
