

Playing Overtime is Exciting, Working Overtime is Not.

Paperless Snap Registration is revolutionizing the registration of sports leagues, clubs, tournaments and events all across the country. Discover what hundreds of leagues and clubs already know:

- **Eliminate data entry from paper forms:** keep your staff and volunteers from being overworked.
- **Reduce costly errors:** participants enter their own information online, so there are no more illegible forms.
- **Simplify record keeping and report generation:** instantly access or print league rosters, accounting reports or uniform and equipment orders.
- **Connect with your league or club:** email announcements, camps, clinics and special events to all participants.
- **Easy to set up, easy to use:** we do all the work to get you set up, no computer experience necessary for league administrators.

Take Control of Your Organization and Your Time With Snap Registration™

If you're like most league and club administrators, you're buried under a mountain of paperwork. Not to mention, illegible information, lost registration forms, and countless hours of data input. It's frustrating and a waste of your valuable time. Fortunately, Snap Registration is changing all that.

Say goodbye to mounting paperwork and monumental frustration

Snap Registration lets your league or club register participants on the Internet, right from your league website! We'll even create a FREE online registration page for you if you don't have a website. So participants can quickly and easily register day or night from their homes, offices or library computers. In other words, it's easy for them and easy for you!

Set the stage for a winning team with an efficient organization

As a league or club administrator, Snap Registration gives you a complete roster the minute registration closes. And that means you now have one convenient database to help you run your organization efficiently. No more re-entering the same information over and over again!

Instantly access up-to-the-minute rosters and volunteer lists, manage accounting reports, coordinate uniform and equipment orders, organize fundraising, email the entire league about rain-outs, make-up games, special events, and much more. **Best of all, Snap Registration costs your league nothing to set up.**

Simplify the paperwork and enjoy the game!

- 1 Add a convenient registration button to your website. Or we'll create a special **FREE** online registration web page just for you.
- 2 When parents and participants click on your registration button, an easy online form pops up so they can register and pay securely in minutes. (Pay by credit card, money order, check or cash.)
- 3 Once participants click to submit their registration forms, they get an instant receipt.
- 4 You get up-to-the-minute league and club rosters and an easy-to-use database to streamline the management of your organization!
- 5 **That's all there is to it.** Snap Registration turns frustration into freedom, so you can enjoy the game!

The average league or club using paper registration spends \$5.50 per player on labor, paper, printing and postage. There is a better way. **Sign up today and start saving time and money!**
